APEX HORIZON 20-YEAR TERM LIFE PRODUCT SPECIFICATION (TL-2026-IL)

Line of Business: Term Life | Jurisdiction: State of Illinois | Effective Date: July 1, 2026

SECTION I - PRODUCT SCOPE & BENEFIT SCHEDULE

The Horizon 20-Year Term Life product provides level death benefit protection for a guaranteed term of 20 years. Premiums remain level and guaranteed for the initial 20 policy years.

Product Attribute	Specification Value	Contract Definition
Plan Name	Apex Horizon 20 Level Term	Non-participating individual level term life insurance
Issue Ages	Ages 18 to 65 (Age Nearest Birthday)	Terminates at policy anniversary nearest age 85
Minimum Face Amount	$100,000	Minimum contract death benefit
Maximum Face Amount	$2,000,000	Amounts above $2M require facultative reinsurance
Deductible	None ($0.00)	Life insurance carries no deductible
Premium Payment Modes	Annual, Semi-Annual, Quarterly, Monthly EFT	Modal factors: Semi 0.51, Qtr 0.26, Monthly 0.087

SECTION II - RISK CLASSIFICATION & RATING FACTORS

Clause 2.1: Underwriting Rate Classes

Applicants are assigned to one of five distinct risk classes: (1) Preferred Plus Non-Tobacco, (2) Preferred Non-Tobacco, (3) Standard Non-Tobacco, (4) Preferred Tobacco, and (5) Standard Tobacco. Tobacco is defined as any nicotine or tobacco use in the preceding 36 months.

Clause 2.2: Face Amount Bands & Band Pricing Discounts

Mortality rate per $1,000 decreases across 3 size bands: Band 1 ($100,000 to $249,999 - Standard Rate), Band 2 ($250,000 to $999,999 - $0.15 per thousand discount), and Band 3 ($1,000,000 to $2,000,000 - $0.32 per thousand discount).

SECTION III - UNDERWRITING REQUIREMENTS & ELIGIBILITY RULES

Rule UW-LIFE-1: Paramedical Exam and Fluid Testing Requirements

Automated underwriting with no exam is permitted for applicants aged 18-45 up to $500,000 face amount. A full paramedical examination, blood chemistry profile, resting ECG, and urinalysis are mandatory for: (a) all applicants aged 51 to 65 regardless of face amount; or (b) any face amount exceeding $500,000.

Rule UW-LIFE-2: Build and Body Mass Index (BMI) Thresholds

Preferred Plus Non-Tobacco requires a BMI between 19.0 and 28.5. Preferred Non-Tobacco requires a BMI between 18.5 and 31.0. Applicants with a BMI exceeding 38.0 are declined.

Rule UW-LIFE-3: Major Medical History Ineligibility

Any diagnosis, treatment, or clinical history of coronary artery disease, myocardial infarction, stroke, transient ischemic attack (TIA), or internal malignant cancer within 10 years of application constitutes an automatic decline.

SECTION IV - STATUTORY EXCLUSIONS & CONDITIONS

Clause 4.1: Statutory Suicide Exclusion (Illinois Insurance Code)

If the insured dies by suicide, sane or insane, within 2 years from the policy issue date, the death benefit is limited strictly to the sum of premiums paid, less any policy indebtedness. Full face amount is payable after 2 years.

Clause 4.2: Incontestability Clause

Except for non-payment of premium, this policy becomes incontestable after it has been in force during the lifetime of the insured for 2 years from the issue date. Material misrepresentation during contestability permits policy rescission.

Clause 4.3: Aviation and War Exclusion

Death resulting from piloting non-commercial aircraft or military operations during declared or undeclared warfare is excluded, refunding only the policy reserve.

SECTION V - OPTIONAL RIDERS & ENDORSEMENTS

Rider R-LIFE-01: Accelerated Death Benefit for Terminal Illness

Enables the policyholder to accelerate up to 75% of the base face amount (maximum $500,000) upon certified clinical diagnosis of a terminal illness with life expectancy of 12 months or less. Included automatically at no initial premium surcharge.

Rider R-LIFE-02: Total Disability Waiver of Premium

Waives all future premium payments if the insured becomes totally and permanently disabled prior to age 60, following a 6-month continuous elimination period. Additional modal premium charge applies based on attained age.
